RELEASE OF LIABILITY AND INFORMED CONSENT FORM

I, the undersigned, represent that my participation in the Wellness program is voluntary and hereby give my full irrevocable consent to the use of my Sensitive personal data or information as specified in this Release.
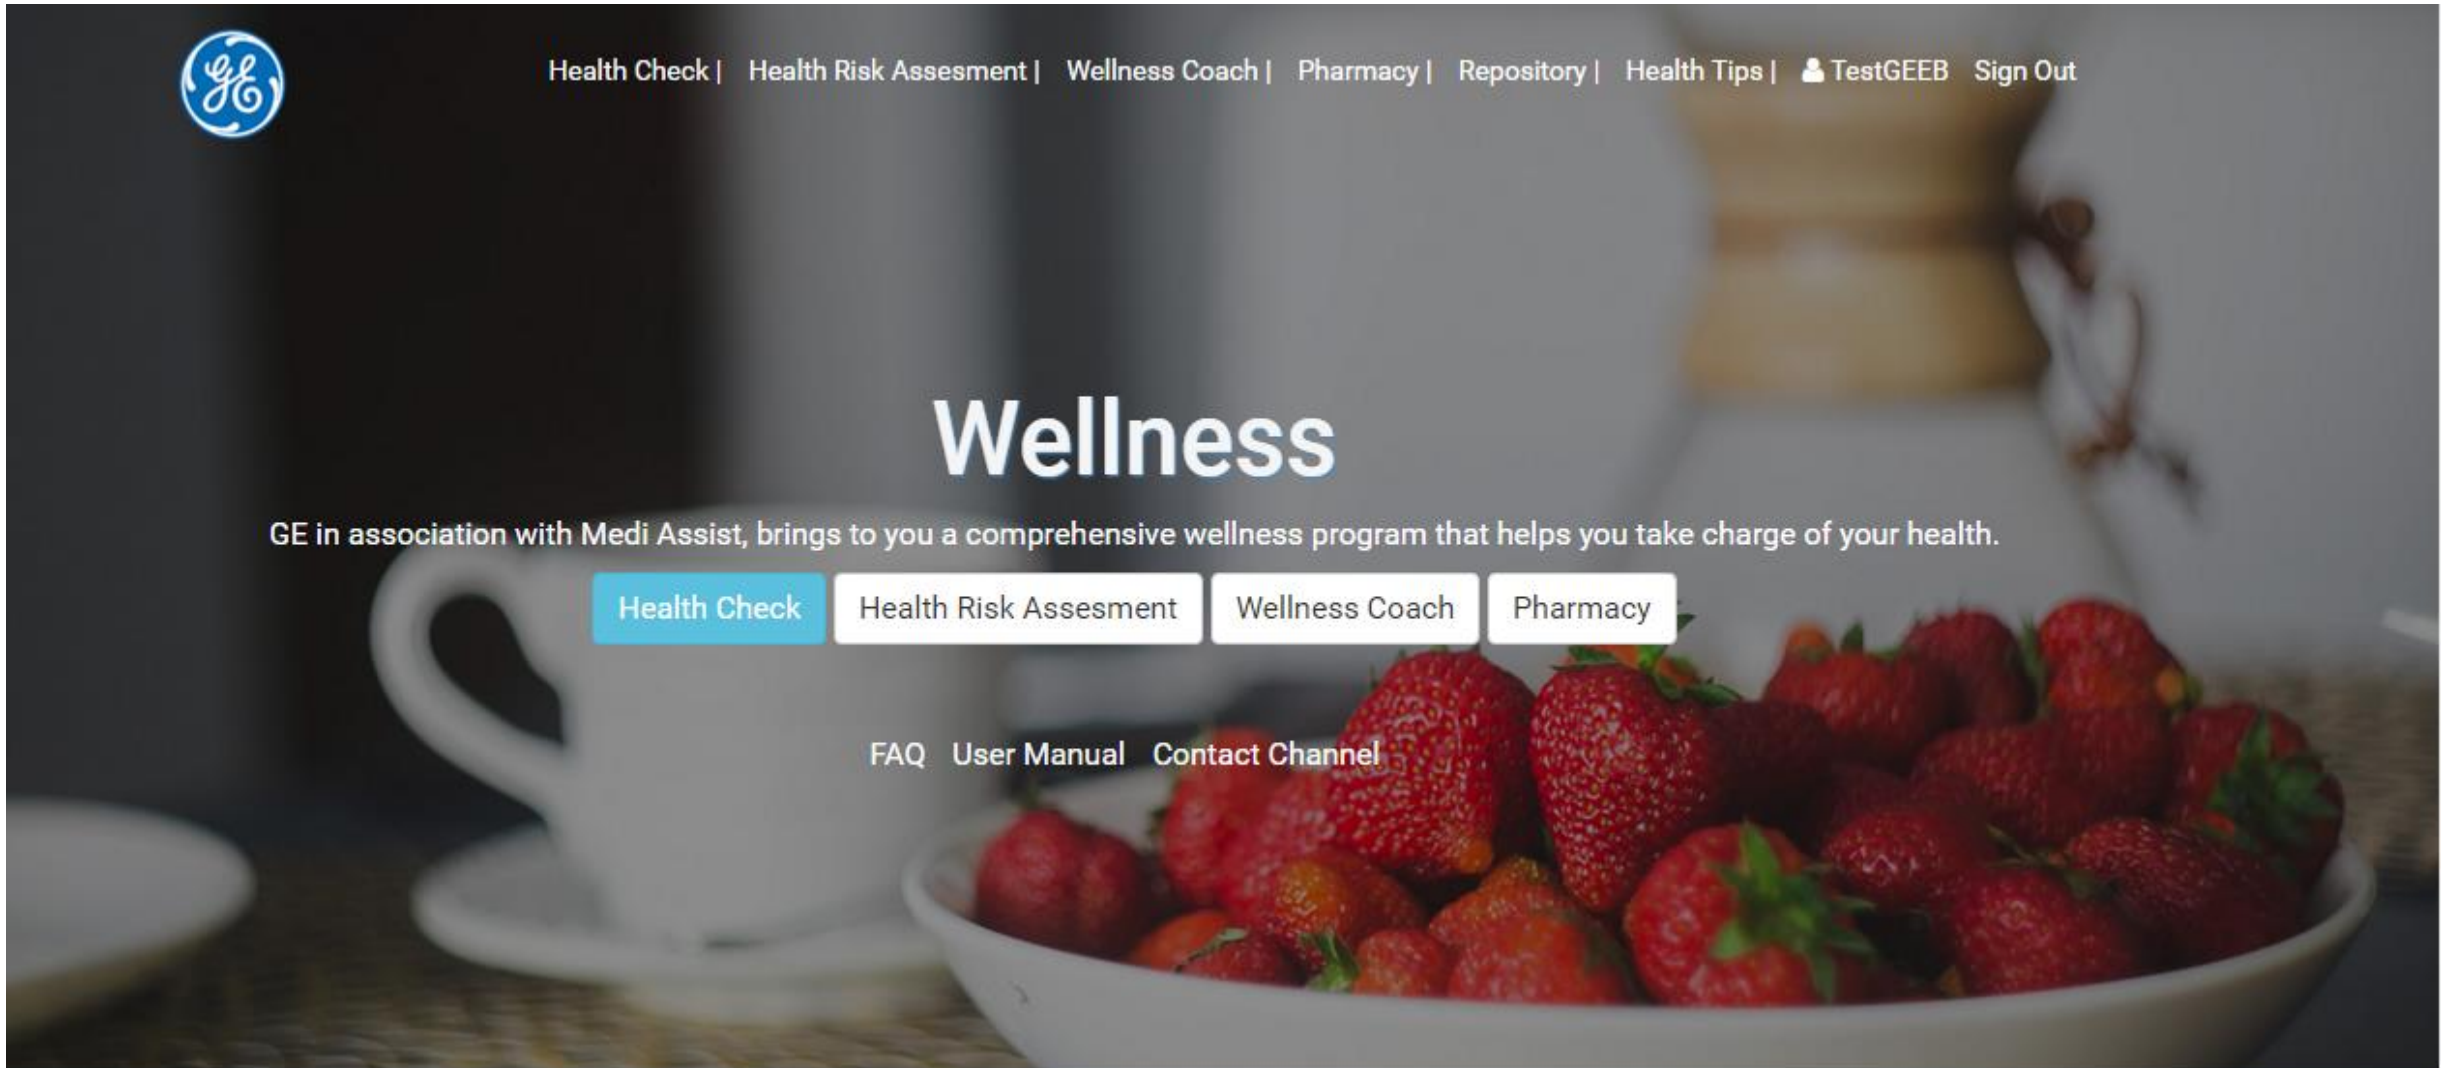

My Sensitive personal data or information will not be shared with my employer however my employer may be advised of the fact of my participation in the Wellness program.

Please tick if appropriate

☐**UNIVERSAL:** (Grants you access to all the Wellness service program components. Your sensitive personal data or information will not be shared with your employer, however, it would only be used for the purpose of data aggregation in a de-identified form.)
I understand my Sensitive personal data or information may be accessed from the GE India MediBuddy Portal of Medi Assist Healthcare Services Private Limited and used by the Wellness Coach (a wellness expert for the purpose of review analysis of relevant health {including health check and health risk assessment reports } and lifestyle information of an employee.) to provide specific recommendations related to health promotion and/or ailment management services including data aggregation for program improvement purposes and goal setting based on the employee's identified risk and/or ailment and that such information shall not be used for any other purpose other than for the use as specified in this release.

☐**RESTRICTED:** (Grants you access to all Wellness service program components. Your sensitive personal data or information will not be shared with your employer and shall not be applied for the purpose of data aggregation.)
I do not consent to the access and/or usage of my Sensitive personal data or information from the GE India MediBuddy Portal of Medi Assist Healthcare Services Private Limited for the purpose of such Wellness program components involving data aggregation (in whatsoever manner and howsoever called) whereunder my personal sensitive information is aggregated, de-identified and applied to such Wellness program components.

I limit my consent exclusively to the access and/or usage of my Sensitive personal data or information for such Wellness program components that do not aggregate my personal sensitive information for whatsoever purpose and I understand that such information shall not be used for any other purpose other than for the use as specified in this release.
